IT'S ALL ABOUT THE DETAILS

We are a group of companies dedicated to the manufacturing of zippers, buttons, overlays and more since 1948, therefore we have more than 75 years of experience in the sector.

Cabosa Group is made up of professionals who combine their experience with the new technologies to adapt our products to recent trends.

For this reason we offer the best service according to current fashion.

Our installations own the most modern machinery. Therefore, we can achieve the best outcome for all our customers.

The social networks we have is constantly active and updated with all the information about fashion trends.

Follow us to be part of our history and not to be left behind with the latest trends to be up dated. Also to stay toon to our line of products that are perfect for your work.

*We work with recycled materials created in our factories, trying to keep safe natural resources.*

# ECO- FRIENDLY

## BUTTONS & ZIPS

*Buttons manufactured  
with recycled plastics  
from the oceans, we use  
100% recycled  
material.*

**reeco®**  
*Pure and Eco Friendly*

*Zippers manufactured  
with more than 20%  
recycled material.*

# UPCYCLED FASHION

To reuse materials that would otherwise be considered waste and transform them into something of better quality and environmental value.
