CABOSA GROUP

Manufacturing

BUTTONS, ZIPPERS & ACCESSORIES

since 1948

Walking towards new horizons

We are a group of companies dedicated to the manufacturing of zippers, buttons, overlays and more since 1948, therefore we have more than 75 years of experience in the sector.

Cabosa Group is made up of professionals who combine their experience with the new technologies to adapt our products to recent trends.

For this reason we offer the best service according to current fashion.

Our installations own the most modern machinery. Therefore, we can achieve the best outcome for all our customers.

The social networks we have is constantly active and updated with all the information about fashion trends.

Follow us to be part of our history and not to be left behind with the latest trends to be up dated. Also to stay toon to our line of products that are perfect for your work.
